Sardar Patel Institute of Technology

Masters in Computer Applications (MCA)

Elphinstone College

Bachelors in Information Technology (B.Sc. IT)

Mumbai, Maharashtra January 2021 - March 2023

Mumbai, Maharashtra

March 2023 - August 2023

Pune, Maharashtra

EXPERIENCE

MERN Stack Developer

Nov 2024 - Jan 2025

Pune, Maharashtra

2017 - 2020

Wargstech

• Developed and enhanced web applications using MERN stack, implementing new features and optimizing existing ones to improve system performance and user satisfaction.

- Utilized Next.js for performance optimization, addressing server-side rendering issues, and ensuring dynamic loading for smooth user interactions.
- Resolved critical payment gateway issues related to Razorpay integration, ensuring seamless and secure transaction processing.
- Mentored junior developers, conducting code reviews, refining workflows, and advocating best practices in development.

Software Developer

Feb 2024 - Apr 2024

Siddhatech Technologies

Pune, Maharashtra

- Redesigned and implemented a bank's digital sales module using SwiftUI and UIKit, focusing on an enhanced user interface and experience.
- Integrated APIs for real-time financial data fetching and employed RSA authentication for secure credit card transactions.
- Optimized app performance and reduced memory usage by implementing an efficient MVVM architecture for modularity and scalability.

SDE Intern Jan 2022 - Jun 2022

40 Bears Tech Corp

Pune, Maharashtra

- Developed interactive and responsive web pages using React js and Bootstrap, focusing on user-friendly interfaces.
- Collaborated with team members to debug, troubleshoot, and enhance existing codebases.
- Conducted cross-browser testing to ensure consistent functionality and design across multiple platforms.

Projects

Venue Booking App | MERN Stack

August 2023

- Designed a full-stack venue booking application using Android, React.js for frontend and Node.js with Express.js for backend.
- Implemented MYSQL for data storage, enabling real-time venue availability and user-friendly filtering options And Venue Booking Functionality.
- • VenueBookingApp
